

BASKETBALL FLOWER POT

INSTRUCTIONS

Step 1: Color

Color the flower pot however you like.

Step 2: Cut

Carefully cut out all pieces along the dashed lines.

Step 3: Fold

Fold where you see the solid lines away from the front with the flower pot design

Step 4: Build

Use a gluestick or tape location A to location B to connect the pop-up support piece. Then attach location C to the back of the flower

Step 5: Enjoy

Congrats! You now have your very own Basketball Flower Pot to display for spring.
